BISHOP PIERCE PRESIDING.

[Reported for the Dispatch.]

The minutes of Saturday's session were read and approved. Leave of absence was granted Rev. S. S. Lambeth, at his request, to visit Norfolk to marry a couple in his congregation.

The Bishop called the twentieth question : "Are all the preachers blameless in their life and official administration?"

The list of superannuated preachers and supernumeraries was called. The following passed in examination and

their relations were continued: Supernumeraries : W. H. Camper, J. S. R. Clark, J. A. Riddick, William J. Nor- and increasing in its power for present. good. Appropriations can be made this fleet, and J. E. Potts. Superannuated: Benjamin T. Ames, Ro-

Garlick, John McCleland, George W. Nolley, Walter C. Taylor, James L. Fisher, John H. Laurens, and Fielding A. Davis. Thomas Diggs was changed from the su-

pernumerary to the superannuated list. The secretary read a communication from Rev. J. W. Hinton, of Macon, Ga., relative to the Southern Quarterly Review, which he proposes to publish shortly, at Nashville, and of which he is the managing editor. The Review will be published as soon as five hundred subscribers can be obtained. The prospectus of the Review was read to the Conference by permission of the Bishop. THE CHARGES OF MALADMINISTRATION.

Rev. William H. Christian, from the special committee appointed to investigate the charges of maladministration against Rev. B. F. Woodward, reported as follows:

The committee to whom was referred the case of B. F. Woodward, presiding elder of the Murfreesboro' district, on a charge of maladministration, after a patient and prayerful consideration of the case, beg leave to present the following facts and questions of law growing out of these

1. It appears that Rev. B. F. Woodward, presiding elder aforesaid, at the Fourth Quarterly Conference of the Hertford and sation of the International System of Les-Edenton circuit, in Quarterly Conference | sons as given in our Sunday-School Magaassembled, decided, in answer to a question | zine and Lesson Papers, and urgently repropounded by L. 4. It appears that the presiding elder at the third Quarterly Conference of 1877-8 for said circuit decided that members of the Quarterly Conference against whom charges had been preferred but not tried were under arrest, and not entitled to sit as members of the Quarterly Conference.

Question of Law.-Are members of the Quarterly Conference against whom charges have been preferred, but not tried, entitled to sit as members of the Quarterly Conference?

5. It appears that in the second Quarterly Conference assembled the following question of law was presented: "When a complaint is made before a Quarterly Conference against official character, must it not be either sustained or not sustained, and so stated on the minutes." Question of Law.-May a presiding elder, in deciding a question of law, indicate his opinion as to the effects of the answer :

6. It appears that the presiding elder aforesaid refused to put a motion made by Nathan Newby in the Fourth Quarterly Conference, and duly seconded, that the appeal of W. T. McMullan and L. W. Mc-Mullan be admitted. The Elder explains that he refused to put the motion, because he considered that the appeal was already pending and needed no motion.

Question of Law.-Should the minutes of a Quarterly Conference contain a mention of every motion arising in the regular order of Conference and duly seconded, and the disposition made of it?

Hem 1st .- It is alleged that B. F. Woodward, at the First Quarterly Conference held for Hertford and Edenton circuit, signed a record of the proceedings of said Conference containing a statement of a transaction not transpiring in said Conferenceviz., in this, that there was neither made to said Conference nor read before said Quarterly Conference any such report by the preacher in charge, in reference to Sunday schools, as is contained in the proceedings
